Instructions:

1. Trace the notebook cover onto a white piece of cardstock and cut the shape from the cardstock.
2. Paint the notebook cover using the “Charcoal” paint. Glue it to the notebook cover when it’s dry.
3. Use the craft blade to cut out the gray areas on the provided template.
4. Paint the piece using the black paint.
5. When the paint is dry, attach it to the notebook cover.
6. Use the 221B stencil and gold paint to decorate the cover.
7. Add gold paint to the “mail slot” and write “Letters” on it when the gold paint is dry.

Supplies needed:

- Composition book
- Paint brush or sponge applicator
- Acrylic paint in these colors: Charcoal (any dark gray), black and gold
- The provided template
- Craft blade
- Cutting mat
- Glue
- Scissors

Supplies needed:

- Ceramic mugs
- Pencils
- Oil-based markers

Decorated Mugs Instructions:

1. Use a pencil to sketch a design onto your mug. Draw over your sketch with the oil-based markers. If you are using more than one color for a design, allow the first paint color to dry before using another marker.
2. Once the design is finished, allow it to dry for 24 hrs.
3. Once dry, place the mug on a baking sheet.
4. Set the baking sheet in a cool oven. Set the oven to 350 degrees with the mug in it.
5. Once the oven reaches 350 degrees, let the mug bake for 30 minutes. Turn off the oven and al-
PERLER BEAD MAGNETS

Supplies needed:
- Perler beads in the following colors: black, white, sand, dark blue, dark grey, grey, yellow, blue
- Magnets
- Hot glue gun and glue sticks
- Iron
- Square perler board
- Perler bead ironing paper

Instructions:
1. Use the provided patterns to add beads to the square board. (Patrons will need to count beads row-by-row.)
2. Place the ironing paper over the beads and iron on medium heat until the beads are fused together.
3. Allow to cool for a minute.
4. Use hot glue to attached a magnet.
