Join us to try out our STEAM kits!

## **June 8: Build a Better World with Magna-Tiles**

Come create and learn with Magna-Tiles! These fun magnetic shapes can be used to build structures, geometric solids, and make creative designs.

## **June 29: Build a Better World with KEVA Planks**

Build a Better World with KEVA Planks! Join us for a fun afternoon of basic building and simple design. The sky is the limit!
